

MOTION FOR LATE ACCEPTANCE OF OTTO E. BERGMAN SUBMISSION
CONCERNING REMOVAL OF CUSTOMIZED POSTAGE FROM THE MAIL
CLASSIFICATION SCHEDULE

(June 1, 2020)

Otto E. Bergman hereby moves for late acceptance of his citizen comment concerning the Removal of Customized Postage from the Mail Classification Schedule, 14 days out of time. Extra time beyond the deadline of May 18, 2020 was needed because there was no notice of this docket in the philatelic press, which reaches collectors. Otto Bergman just learned of this docket from a vendor from whom he has purchased Customized Postage for 16 years. He received notice today from the PRC Docket Section that the filing was overdue. Therefore, this motion for late acceptance is being promptly filed in response.

Otto Bergman does not believe that any party will be prejudiced by the Commission's acceptance of these comments today since the filing is concise and represents the opinion of a concerned citizen.

Sincerely,

Otto E. Bergman
